

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

A REVIEW OF THE RATES AND CHARGES	)	
AND INCENTIVE REGULATION PLAN OF	)	CASE NO. 90-256
SOUTH CENTRAL BELL TELEPHONE COMPANY	)	PHASE II

O R D E R

On April 3, 1991, the Commission entered an Order in Phase I of this proceeding finding that the experimental incentive plan of South Central Bell Telephone Company ("South Central Bell") should be continued for three years and that rate design priorities for the revised incentive plan should be determined. By the same Order, the Commission established a procedural schedule for the rate design issues, Phase II of this proceeding.

South Central Bell has prefiled testimony and information requests have been propounded to South Central Bell according to the schedule established by the Commission. However, on May 7, 1991, South Central Bell filed a motion for leave to file amended testimony and for a revised procedural schedule. In support of its motion, South Central Bell asserts that a portion of its prefiled testimony included an inadvertent error on page 5 of Mr. Wilkerson's testimony. South Central Bell also asserts that the filing of its amended testimony may cause parties to file additional information requests and therefore seeks to revise the procedural schedule.

Having been otherwise sufficiently advised, the Commission  
HEREBY ORDERS that:

1. The motion of South Central Bell for leave to file  
amended testimony is granted.

2. The procedural schedule established in the April 3, 1991  
Order is hereby modified as follows:
